Embark on an unforgettable adventure through the picturesque north of Wisconsin, tracing the footsteps of the North Country National Scenic Trail's inspiration. From the enchanting Copper Falls State Park to the Chequamegon Forest, you'll immerse yourself in the breathtaking spectacle of autumn's vibrant foliage.

Guided sessions will begin and close each day. Let nature inspire you as you think about what you want to let go and reflect on what gifts you hope for in the season ahead.

From arranging comfortable accommodations and delectable meals to providing a support van, we've got you covered every step of the way.

Book your spot today and embark on a journey of self-discovery and natural wonder.
